OS Explorer

The essential map for outdoor activities

1:25 000 scale (4cm to 1km or 2½ inches to 1 mile)

Our most detailed folding map. It's the one we recommend for anyone who is getting active outdoors -whether its mountain biking, horse-riding or just setting out on a really good walk.

Covers the whole of Great Britain with rights of way, permissive paths and bridleways, clearly marked together with useful landmarks such as pubs, youth hostels and visitor information.

Searching for National Parks?

Look for OL titles with the yellow flash on the front cover, which also include additional details of footpaths and routes in and around the National Parks.

OS Explorer Active

Every OS Explorer title is available in a weatherproof Active version, allowing your customers to explore the outdoors in any season.

The one for organising day trips or short breaks.

1:50 000 scale (2cm to 1km or 1¼ inches to 1 mile)

Providing wider coverage than an OS Explorer map but with less detail, these maps are ideal for long-distance hikes, cycling tours, and driving holidays.

Spanning the length and breadth of Great Britain, these maps feature footpaths, rights of way, and a wealth of information on visitor attractions, including National Trust properties, museums, and castles.
